

## ENDS AND TRENDS WITH KIM AND KAREN

**Karen's Trend Alert:** I am in love with statement necklaces! Those bold, colorful, stone-like necklaces are my current must-haves. I covet them every time I walk into a store and browse online. From classic colors to bright hues, I'll buy them all!

What makes them amazingly fashionable is that they can spruce up an outfit. They're so eye-catching, they add pizzazz to an otherwise boring top! They are, at first, a bit intimidating to wear. But once you adorn one, rock it with confidence! Remember, you probably liked it enough (and bought one) because you saw someone else wear one, too. So, be brave! Make a statement with your statement necklace.
